

**Annex to the**

**Joint Declaration on Cooperation in Science and Technology**  
between the Federal Ministry of Science and Research of the Republic of  
Austria and the Ministry of Science and Technology of the Republic of Korea

As agreed between the Federal Ministry of Science and Research of the Republic of Austria (BMWf) and the Ministry of Education, Science and Technology of the Republic of Korea (MEST) being the legal successor to the Ministry of Science and Technology of the Republic of Korea (MOST) on 12 May 2010, the “Joint Declaration on Cooperation in Science and Technology” shall be prolonged for another period of two years (21 September 2012 – 1 October 2014) as stipulated under Article 8 of the afore mentioned “Joint Declaration.”

During the upcoming two years, both sides will jointly explore the possibilities of the conclusion of a government-level Scientific and Technological Agreement.

Done in Vienna on 17 September 2012, in two original documents in English, both texts being equally authentic.

For the Federal Ministry of Science  
and Research
