## Minister for Culture

Ministry of Culture

## Uroš GRILC

After completing his secondary education in veterinary sciences, he studied philosophy at the Faculty of Arts in Ljubljana, where he received a doctorate in philosophy in 1998. He gained his work experience first in the non-government sector, where he was secretary of the Society for Theoretical Psychoanalysis from October 1993 to November 2001; he was also head of publications at the ISH (Institutum Studiorum Humanitatis).

- 2004 He was employed at the Ministry of Culture, where he served as head of the book sector.
- Nov. 2007 he has been Head of the Department of Culture at Ljubljana Municipality. During his term, Ljubljana hosted the project World Book Capital.
- In 2001 he published a book entitled "On the Philosophy of Writing: On the Way to Derrida". He is the author of numerous academic articles on modern philosophy. He has translated Derrida, Husserl and Heidegger from French, German and English.
