**Minutes of the meeting of the Evaluation Committee
for the selection of the PHC AMADEUS / WTZ-AMADEE projects for
2019-2020 within the scientific-technological cooperation between
Austria and France**

1. Exchange of information

The Partners exchanged information concerning the current state of research and development and national policy in the Republic of Austria and France and informed each other on the participation of their respective countries and institutions in international cooperation in research and development. Both sides are satisfied with the active cooperation within the AMADÉE Program.

2. Selection of co-operation projects for the period 2019-2020

18 eligible projects for the period 2018-2019 were peer-reviewed by both sides. Based on their scientific merits the Commission agreed upon funding mobility costs of 12 bilateral co-operation projects in first year for the period 2019-2020 (Annex 1).

In addition 12 projects with a duration from 2018-2019 will be continued for the second year and 1 project will be granted a justified extension in 3rd year (Annex 2).

Hence mobility costs of a total of 25 bilateral co-operation projects are jointly funded in 2019.

3. Next call for proposals for the period 2020-2021

The next call for proposals will start on 1st February 2019 and will close on 15th April 2019.

4. Next Meeting for the selection of bilateral co-operation projects

The next meeting for the selection of bilateral co-operation projects for the period 2020-2021 will be held in Paris end of October / beginning of November 2019. The exact date will be agreed upon by e-mail.
