

POLEN

Minister of Science and Higher Education

Ministry for Science and Higher Education

Dariusz WIECZOREK

Born on 23 May 1965 in Stettin.

The deputy leader of Nowa Lewica (from SLD fraction) is considered to be a close associate of Włodzimierz Czarzasty. Before this year's elections, he was a negotiator for the Senate pact on behalf of Lewica. He has been an MP since 2019, having previously been a long-time local government member, including deputy mayor of Szczecin. In the previous legislature, he was secretary of the Lewica caucus and a member of the maritime economy and inland waterways committee and the energy, climate, and state assets committee.
